

# UNIQUE RESTORATION

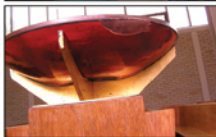

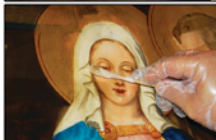

We are able to offer a unique set of services based on the years of experience responding to insurance losses and working general non-insurance related restoration in historic and sacred spaces across the country.

Some of our unique services include:

- Artifact Restoration
- Content Inventory
- Specialized Cleaning
- Preservation
- Conservation
- Re-creation

At the top, the icon dating from the mid 18th century was restored after a fire. In the before photo, you will notice the "alligator" marks on the face and hands as well as the discoloration to the metals.

Also shown is the delicate cleaning of a painting, a chipped baptismal font that is a one-of-a-kind art piece and heat damaged Faberge' style egg being restored after a fire.
