

ServiceMASTER  
Clean®

ServiceMaster by MISTICK

**EMERGENCY RESPONSE TEAM:  
MINIMIZING BUSINESS INTERRUPTIONS,  
RESTORING PEACE OF MIND.®**

When disaster strikes at your commercial building, ServiceMaster Clean® is prepared. As part of our commitment to deliver "above and beyond" service, our dedicated Emergency Response Team can mobilize quickly to help minimize any disruption to your business.

In the event of fire, flood, smoke damage or other disasters, our network of experienced disaster recovery professionals can be on-site within 2-4 hours. This prompt action can save valuable documents, inventory and property that might otherwise be unsalvageable.

Getting you back in business is our number one priority. And, we have the tools necessary to minimize your loss and business interruption. Our team of experts provides comprehensive services from emergency procedures planning to mitigation and reconstruction.
